From award winner Julia Gregson, author of Jasmine Nights, this sweeping international bestseller brilliantly captures the lives of three young women on their way to a new life in India during the 1920s. As the Kaisar-I-Hind weighs anchor for Bombay in the autumn of 1928, its passengers ponder their fate in a distant land. They are part of the " Fishing Fleet " —the name given to the legions of English women who sail to India each year in search of husbands, heedless of the life that awaits them. The inexperienced chaperone Viva Holloway has been entrusted to watch over three unsettling charges. There ' s Rose, as beautiful as she is na ï ve, who plans to marry a cavalry officer she has met a mere handful of times. Her bridesmaid, Victoria, is hell-bent on losing her virginity en route before finding a husband of her own. And shadowing them all is the malevolent presence of a disturbed schoolboy named Guy Glover. From the parties of the wealthy Bombay socialites to the poverty of Tamarind Street, from the sooty streets of London to the genteel conversation of the Bombay Yacht Club, East of the Sun takes us back to a world we hardly understand but yearn to know. This is a book that has it all: glorious detail, fascinating characters, and masterful storytelling.

An utterly captivating story of three young British women in search of freedom and love in 1920s India Autumn 1928. Three young women are on their way to India, each with a new life in mind. Rose, a beautiful but na ï ve bride-to-be, is anxious about leaving her family and marrying a man she hardly knows. Victoria, her bridesmaid couldn't be happier to get away from her overbearing mother, and is determined to find herself a husband. And Viva, their inexperienced chaperone, is in search of the India of her childhood, ghosts from the past and freedom. Each of them has their own reason for leaving their homeland but the hopes and secrets they carry can do little to prepare them for what lies ahead in India. From the parties of the wealthy Bombay socialites, to the ragged orphans on Tamarind Street, EAST OF THE SUN is an utterly engaging novel that will captivate readers everywhere.

After the world is plunged from high-tech utopia to medieval nightmare, Herzer Herrick and Megan Trevante are assigned the mission to capture the spaceship that supplies the fuel for the whole world.
