This comprehensive guide, from the author of Acting in Musical Theatre, will equip aspiring directors with all of the skills that they will need in order to guide a production from beginning to end. From the very first conception and collaborations with crew and cast, through rehearsals and technical production all the way to the final performance, Joe Deer covers the full range. Deer's accessible and compellingly practical approach uses proven, repeatable methods for addressing all aspects of a production. The focus at every stage is on working with others, using insights from experienced, successful directors to tackle common problems and devise solutions. Each section uses the same structure, to stimulate creative thinking: Timetables: detailed instructions on what to do and when, to provide a flexible organization template Prompts and Investigations: addressing conceptual questions about style, characterization and design Skills Workshops: Exercises and 'how-to' guides to essential skills Essential Forms and Formats: Including staging notation, script annotation and rehearsal checklists Case Studies: Well-known productions show how to apply each chapter's ideas Directing in Musical Theatre not only provides all of the essential skills, but explains when and how to put them to use; how to think like a director.

In The Ultimate Musical Theatre College Audition Guide, author, acting teacher, and musical theatre program director Amy Rogers offers an honest, no-nonsense guide to the musical theatre audition. Written for high school students and their parents, teachers, and mentors, the book demystifies what can be an overwhelming process with step-by-step explanations of audition checkpoints to answer every student's question, "where do I begin?" Chapters explore degree types, summer programs and intensives, audition coaches, what to sing, what to wear, headshots, how to prepare your monologue, the dance call, the university and program applications, prescreens, on-campus auditions, Unifides, resumes, acceptances/waitlists/rejections, and more. The book also includes advice from over 10 top-tier program directors and faculty, as well as examples from students, parents, and experts currently working on Broadway. Written with compassion, experience, and a love of the industry, Rogers' essential all-in-one guide is guaranteed to prevent surprise throughout the audition process.

All great auditions require preparation and practice, but what's the secret to securing a callback? What are the best ways to prepare for that pivotal moment? And once you're in front of the casting director, what does it take to make the most out of your moment in the spotlight? In this second edition of Get the Callback: The Art of Auditioning for Musical Theatre, Jonathan Flom provides practical advice on the many facets of preparation, including selection of songs and monologues to suit your

voice and the audition, organizing and arranging your music, working with the accompanist, and presenting yourself to the casting team. The book gives a detailed description of the actual audition performance and even offers advice on how non-dancers can survive a dance audition. In addition to extensively revised chapters on the audition process and how to build a repertoire book, this guide also features updated chapters on headshots, resumes, and cover letters; voice training techniques from Matthew Edward; advice from musical director Joey Chancey; and a foreword by casting director Joy Dewing. Aimed at professionals as well as young artists, this second edition of *Get the Callback* is a must-have for both seasoned and aspiring musical theatre performers.
