The magical saga of the women behind King Arthur's throne. "A monumental reimagining of the Arthurian legends . . . reading it is a deeply moving and at times uncanny experience. . . . An impressive achievement."—The New York Times Book Review In Marion Zimmer Bradley's masterpiece, we see the tumult and adventures of Camelot's court through the eyes of the women who bolstered the king's rise and schemed for his fall. From their childhoods through the ultimate fulfillment of their destinies, we follow these women and the diverse cast of characters that surrounds them as the great Arthurian epic unfolds stunningly before us. As Morgaine and Gwenhwyfar struggle for control over the fate of Arthur's kingdom, as the Knights of the Round Table take on their infamous quest, as Merlin and Viviane wield their magics for the future of Old Britain, the Isle of Avalon slips further into the impenetrable mists of memory, until the fissure between old and new worlds' and old and new religions' claims its most famous victim.

"Once again we are captivated by the magic of the legend that has long fed our appetite for pageantry and romantic adventure." -Washington Post In a country still reeling from the collapse of the Roman Empire, the young King Arthur and his wife Guinevere struggle to keep the barbarians at bay even as they establish the Fellowship of the Round Table. The spirited and outspoken Guinevere skillfully combats an accusation of planning to poison Arthur in a country simmering with unrest and scandal. But Guinevere's greatest battles are dangers Arthur cannot see-ones she'll have to fight on her own. And all the while, she must reconcile her thirst for freedom with her duties as queen, and her growing love for Lancelot with her loyalty to her husband. Vibrantly human and touchingly real, Guinevere reigns as a woman poised to discover the true peril and promise of the human heart. Praise for Persia Woolley's Guinevere Trilogy "In Queen of the Summer Stars, Woolley employs the same sensitive revelation of character and attention to cultural detail that made Child of the Northern Spring such an enchantment." -San Francisco Chronicle "Richly textured, evoking the sights and sounds of castle and countryside, the qualities of knight and servant. Highly recommended." -Library Journal "A marvelous sense of daily life...the details of tribal differences among Briton, Saxon, and Pict, as well as the uneasy mixture of pagan and Christian ritual and belief. Enjoyable for all fans of Arthurian romance." -Booklist "Persia Woolley is a born storyteller. Her love and enthusiasm for Guinevere and her times shimmers from every page." -Parke Godwin, author of Beloved Exile and The First Rainbow

Africa è un nome scritto nel destino della famiglia Courteney. Lo sa bene Sir Hal Courteney, che, durante la giovinezza, è stato sedotto dalla bellezza sensuale e arcana di quel continente fiero e selvaggio e ha imparato a conoscerlo, ad amarlo più di se stesso. Ma lo sanno, o almeno lo intuiscono, anche Tom e Dorian, due dei suoi quattro figli, nati e cresciuti in Inghilterra, ma con l'avventura nel sangue e il mare nel cuore. Niente può quindi trattenere i due ragazzi dal salire sul magnifico East Indiaman affidato al comando del padre, incaricato dalla Compagnia delle Indie di domare il sanguinano pirata arabo Jangiri, il cui «regno» si estende dal capo di Buona Speranza al Madagascar. E niente può fermare il destino quando deciderà di separare i due giovani, lasciando che i venti dell'avventura governino il loro futuro e che la passione plasmi la loro vita. Tom si ritroverà così a dover affrontare, prima col padre e poi con Sarah, la donna che ha scelto di stare al suo fianco, le mille incognite che animano quello sconfinato teatro di battaglie che è il mare e gli innumerevoli enigmi di un continente che esercita il suo invisibile potere su uomini e animali, mentre Dorian, costretto a una nuova esistenza e a una nuova fede - lontanissime da lui eppure vibranti di orgoglio -, farà del coraggio la sua arma e scoprirà l'amore nello sguardo di una ragazza dal nome soave, Yasmini. La sorte vorrà i due fratelli addirittura nemici, guerrieri in campi opposti e animati da opposte speranze, eppure uno soltanto sarà il desiderio che li guiderà nel silenzio della solitudine e nel clamore dei duelli, nelle tenebre della sconfitta e nella luce del trionfo: ricongiungersi, per combattere e finalmente realizzare i sogni che da sempre accendono lo spirito inquieto dei Courteney... E proprio sulle ali di questo desiderio, che soffia sull'Africa impetuoso come il monsone, Wilbur Smith ci regala il suo romanzo più epico ed esaltante. Monsone andrà offline, non per scelta di Longanesi, il giorno 2/04/2019.
