Prince Sultan University, Riyadh, Kingdom of Saudi Arabia.

David Myers's Psychology is a textbook like no other--always fresh, always introducing effective new tools for teaching and learning, and always attuned to the fascinating ways that new research can shape the introductory psychology course. The new Eighth Edition is vintage Myers. It redefines excellence for an introductory psychology textbook, raising the standard with its expanded emphasis on diversity and gender issues, its incorporation of new frontiers in research studies in such areas as neuroscience and cognition, new learning features, and its expanded media/supplements package. Myers continues the tradition of previous editions of bonding psychological science with a broad perspective that engages both the mind and the heart.

Why Myers? David Myers has become the world ' s best-selling introductory psychology author by serving the needs of instructors and

Download Ebook Ap Psychology David Myers 8th Edition Outlines

students so well. Each Myers textbook offers an impeccable combination of up-to-date research, well-crafted pedagogy, and effective media and supplements. Most of all, each Myers text demonstrates why this author's style works so well for students, with his signature compassionate, companionable voice, and superb judgment about how to communicate the science of psychology and its human impact. Why Modules? This modules-based version of Myers' best-selling, full-length text, *Psychology* (breaking down that book's 16 chapters into 59 short modules) is yet another example of the author's ability to understand what works in the classroom. It comes from Myers' experiences with students who strongly prefer textbooks divided into briefer segments instead of lengthier chapters, and with instructors who appreciate the flexibility offered by the modular format. Modular organization presents material in smaller segments. Students can easily read any module in a single sitting. Self-standing modules. Instructors can assign modules in their own preferred order. The modules make no assumptions about what students have previously read. Illustrations and key terms are repeated as needed. This modular organization of short, stand-alone text units enhances teacher flexibility. Instead of assigning the entire Sensation and Perception chapter, instructors can assign the module on vision, the module on hearing, and/or the module on the other senses in whatever order they choose. Watch our new videos from David Myers here, including our animation on THE TESTING EFFECT narrated by David Myers.

Thus begins market-leading author David Myers' discussion of developmental psychology in Unit 9 of his new Myers' *Psychology for AP® Second Edition*. These online exams can be easily accessed by smartphone, tablet, or computer.

Announcing a new Myers/DeWall text, created specifically for the Fall 2019 AP® course framework! You are likely familiar with the name Dr. David G. Myers. Now, he and his new co-author, Nathan DeWall,

Download Ebook Ap Psychology David Myers 8th Edition Outlines

bring you a book that will allow you to use College Board's new Personal Progress Checks and Dashboard more effectively. This updated edition includes 100% of the new course content in the new nine-unit structure. All teacher and student resources will also be updated to correlate to the new student edition; this includes the TE, TRFD, TB, Strive, and LaunchPad. Everything will publish in summer 2020 such that you can use this new program for Fall 2020 classes. If you're not familiar with Myers/DeWall texts, you are in for a treat! Drs. Myers and DeWall share a passion for the teaching of psychological science through wit, humor, and the telling of poignant personal stories (individually identified in the text by the use of each author's initials [DM and ND]). Through close collaboration, these authors produce a unified voice that will teach, illuminate, and inspire your AP® students.
