Science curriculum for the middle grades featuring a students text.

Uses a wide variety of activities to help low-intermediate level learners practice their English in everyday situations.

Perfect bound teacher's guide

'Speakout' is a 6-level general English course for adults developed in association with the BBC; bridging the gap between the classroom and the real world helping students express themselves in English.

The new Pearson Chemistry program combines our proven content with cutting-edge digital support to help students connect chemistry to their daily lives. With a fresh approach to problem-solving, a variety of hands-on learning opportunities, and more math support than ever before, Pearson Chemistry will ensure success in your chemistry classroom. Our program provides features and resources unique to Pearson--including the Understanding by Design Framework and powerful online resources to engage and motivate your students, while offering support for all types of learners in your classroom.

Technical English Level 1 covers the core language and skills that students need to communicate successfully in all technical and industrial specifications.
