risk activities that generate new businesses and sharpen a company's competitive edge.

## Corporate Venturing: Creating New Businesses Within the ...

Creating a corporate venture can be done in one of two ways: by building a new business as a stand-alone unit (external corporate venture), or by building a new business inside the existing firm whose structure allows for management independence (internal corporate venture).

Previous research (Burgelman, 1984, Burgelman and Sayles, 1986) has argued that...
