their cold, stone faces, gargoyles have warm, loving souls -- yet most people don't look deeply enough to notice. Angels can see the good inside them, though, and tonight the angels will sweep down to take their silent, stone friends on a magical journey, hand in hand. Caldecott Honor artist Dav Pilkey's lyrical tale of these gentle stone creatures come to life is a reminder that everyone -- from the griever to the dreamers to the believers -- is worthy of love.

STATIONEN: EIN KURSBUCH FÜR DIE MITTELSTUFE, Third Edition is an intermediate German program that combines engaging cultural topics with authentic readings and contextualized grammar in a unifying context. Each chapter of STATIONEN revolves around a city or region in the German-speaking world. This overarching concept brings the program together and invites students and instructors to make connections and comparisons between chapters, topics, and cultural issues. STATIONEN also refers to the **stations** between the first beginnings of a journey into German life and language and to more advanced study and exploration on the intermediate level. In addition, the accompanying video component contains footage of videoblogs from eleven cities in Germany, Austria, and Switzerland that complements the textbooks content and serves as windows to contemporary German culture. These snapshots of everyday life connect interview clips with images of public spaces to move students beyond the realm of ordinary language instruction and into the scenarios and situations that reflect a developing German speaker's real-world needs. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
