9 Things for Young Pastors to Remember before Preaching on Hot-Button Issues

Pastoring a small church is a specialty ... Today's question is going to be this: can a small church be an effective church? I'm going to tell you the answer right up front: yes.

Ep 1: Can A Small Church Be An Effective Church? (Podcast Transcript)

What can be learned in seminary and what can only be learned through years of experience in ministry? Hear from Dave Harvey about his own path to the pastorate.

Podcast: What I Wish I Knew in Seminary after 30 Years in Ministry (Dave Harvey)

True, the gift of Communion is offered essentially to the community of his faithful followers, the people of God. It is in virtue of that bond of unity that the individual believer is gifted.

Divorced, re-married and the Communion line

It was what I did on Sundays. I never saw it as full time, never pictured pastoring. That just wasn't on my mind. I was set on corporate leadership. Then suddenly, I was available without work. Plans ...

Q&A with Mahcoe Mikel

The Kyle Lake Center for Effective Preaching aims at providing the best possible preparation for our seminary students as well as continuing education in preaching to pastors and others in ministry.

Kyle Lake Center for Effective Preaching

The measure would have repealed a section in the AME Book of Discipline that prevents clergy from performing such marriages.

AME General Conference debate on same-sex marriage continues after bill is voted down

They "gave two barrels of whiskey to his congregation." As one pastor notes, most Episcopalians he knows would have welcomed that action. (Ditto for the Methodists? Hard to tell.) Later, having ...

"A great deal of confusion exists today as to what pastors are to be," Lawrence writes. "Are they chaplains, CEO's, preachers, managers, or counselors? Paul gave us the answer long ago: They are to be equippers, disciple-makers." Just as the great artist Michelangelo took a chipped and flawed piece of marble and transformed it into a masterful sculpture of David, so does a pastor with his flock. "This is pastoring", writes Lawrence, "serving as sculptors of souls."

As a pastor or pastoral staff member you have one of the most demanding jobs in the world. This book will encourage you to delight increasingly in the Lord, who has made pastoring the desire of your heart.

This helpful resource provides a blueprint for developing a spiritually strong and effective ministry team in the local church. Pastors will find the book useful as a regular reference to "tune up" their staff to foster a healthy, unified, effective team.

For churches and religious nonprofit operations, the business of business is not business - it is ministry. Still, such institutions have to make plans. Because skilled organization is needed to accomplish specific tasks, a leader must train and motivate workers in progress and effectiveness. This second edition of Church Administration helps pastors and church staff become effective and efficient leaders, managers, and administrators. Among the topics discussed are: Administration Documents, Organizing the Church, Administering Personnel Resources, Financial Resources, Physical Resources, and Administering Risk Management. Writing for students as well as those already in this line of work, author Robert H. Welch promises, "If you understand the tenants of general administration and the techniques of ministerial leadership your job will be made significantly easier."

What can I say to parents who have lost an infant? Where do I find the time to be a good pastor and a loving husband and father too? These are just some of the tough questions most pastors ask at one time or another. And the answers don't come easy. Robert Anderson's practical guide to the pastoral ministry highlights the many aspects of a pastor's job: his qualifications, prerequisites, and requirements, his relationships with his wife and family, his congregation, those outside the congregation, and in counseling and visitation his tasks, including worship services, the Lord's Supper and baptism, evangelism, weddings, funerals, and special events, his administrative tasks such as public relations, correspondence, Christian education, youth and music ministries, and encouraging fellowship. Here is a volume of excellent ideas, advice, and general rules for the contemporary pastor in his ever-changing ministry.

There's no scoreboard in the sanctuary, and the only plate is probably for the offering. But every church leader needs to know how to win, and every congregation needs to cheer. This insightful book speaks to every church leader who yearns for a simpler, more effective approach to ministry. An engaging parable about one overwhelmed pastor is followed by an overview of seven successful team practices, each one developed and applied in a ministry setting. Reinforced by relevant discussion questions, these clear, easy, and strategic practices can turn any ministry into a winning team. Your ministry is perfectly designed to produce the results you are currently experiencing. If you are satisfied with those results, you don't need this book. If not, it's time for a change. Like your own personal trainer, 7 Practices of Effective Ministry is an insightful guide for any leader who yearns for a simpler, more effective approach to ministry. Here are seven strategic principles that when put into play will bring focus and clarity to everything you do and turn your ministry into a winning team. Story Behind the Book Looking for ways to help pastors faced with hectic lives and depleted resources, Andy Stanley, Reggie Joiner, and Lane Jones decided to write a parable about the complicated life of a local pastor. Rather than come straight at those in ministry with formulas and lists, they engage readers in an effort to have them identify with the character. "For many years, I practiced and taught church growth. What I have witnessed as a member at North Point takes church growth to a whole new level. Andy and his team communicate principles that will add value to you and the church you love." -John C. Maxwell, founder, The INJOY Group "Every professional athlete recognizes the value of solid coaching. The best are always working to get better. From what I've seen at North Point, these seven practices can improve the game of any church in America." -John Smoltz, Cy Young Award-winning pitcher "The practices covered in this book are down-to-earth, practical, and come from real difference-makers who know what church leadership is all about. Andy, Reggie, and Lane have definitely hit the ball out of the park with the 7 Practices of Effective Ministry." -Ed Young, Jr., senior pastor, Fellowship Church

The church finds itself in a period of great diversification and multiple expressions. In the midst of great change, we have become confused about what really makes for healthy and authentic pastoral leadership. What are the basic and common characteristics necessary for pastors to be effective? How can lay people understand the pastoral call more fully and partner better with pastors for the health of their church? Here Mannaia and Walkemeyer examine the foundations of pastoral effectiveness and bring together nine experienced pastoral leaders to discuss the basic characteristics that exist in effective pastors. Regardless of context or personality, ineffectiveness in pastors and subsequent ill health in churches is often not the result of a lack of calling, but instead is the result of misappropriated efforts to find success. Let's help those who are called to be good stewards of their call. And let's help churches have a chance to be healthy under the leadership of effective pastors!

How can African American church leaders maximize their leadership potential? What are current models for effective leadership in the African American Christian community? This book answers those questions and more with up-to-date research and current best practices regarding leadership principles and strategies. African American church communities and those who interact with and work with these communities will find this book particularly useful. ParkerBooks are written to equip and encourage African American ministry leaders.

Here is practical, to the point teaching that makes the ministry of praise and worship approachable. Local churches will benefit immensely from these proven ideas and helpful tools.

Missiologist James E. Plueddemann presents a roadmap for crosscultural leadership development in the global church. With keen understanding of current research on cultural dynamics, he integrates theology with leadership theory to apply biblical insights to practical issues in world mission.
