The type provides students with a set of questions and problems similar to those in the text and in the Test Bank, along with worked-out solutions.

Financial Management: Theory and Practice by Eugene F. Brigham
Financial management theory will assist you and provide tools, when put into practice will help you achieve the financial goals of the organisation. In fact financial management theory is not always so easy to follow, because financial management is based on a number of different aspects : • and return on investment.
