Digitale Bibliotheek voor de Nederlandse Letteren (The Digital Library of Dutch Literature is a collection of primary and secondary information on Dutch language and literature in its historical, societal and cultural context.)

"Morgan Rice's imagination is limitless. In another series that promises to be as entertaining as the previous ones, A THRONE OF SISTERS presents us with the tale of two sisters (Sophia and Kate), orphans, fighting to survive in a cruel and demanding world of an orphanage. An instant success. I can hardly wait to put my hands on the second and third books!" --Books and Movie Reviews (Roberto Mattos)
A bundle of books seven and eight in Morgan Rice's new fantasy series A THRONE FOR SISTERS (A CROWN FOR ASSASSINS and A CLASP FOR HEIRS). Here are two bestselling novels, all in one convenient file. Over 150,000 words of reading, all for an incredible price--It also makes the perfect gift! In A CROWN FOR ASSASSINS, Sophia, Kate and Lucas finally get the chance to journey in search of their long-lost parents. Will they find them? Are they alive? And what message do they hold for them? Their journey demands a price, though. Ashton is left without a ruler, and the Master of Crows still lies in wait, ready to strike. As the fate of the realm lies in the balance, help may come from the most unlikely place of all: Stonehome. In A CLASP FOR HEIRS (A Throne for Sisters--Book Eight), Sophia, Kate and Lucas finally meet their parents. Who are they? Why were they in exile? And what secret message might they hold for them about their identities? Meanwhile, the Master of Crows ravages Ashton, Stonehome lies in danger, and Sebastian must find a way to whisk Violet to safety. Will Sophie, Kate and Lucas return in time to save them? Will they return at all? A THRONE FOR SISTER is a dazzling new fantasy series rife with love, heartbreak, tragedy, action, adventure, magic, sorcery, dragons, fate and heart-pounding suspense. A page turner, it is filled with characters that will make you fall in love, and a world you will never forget.

"Morgan Rice has come up with what promises to be another brilliant series, immersing us in a fantasy of valor, honor, courage, magic and faith in your destiny. Morgan has managed again to produce a strong set of characters that make us cheer for them on every page. Recommended for the permanent library of all readers that love a well-written fantasy." --Books and Movie Reviews, Roberto Mattos (regarding Rise of the Dragons)
From #1 Bestselling author Morgan Rice comes a sweeping new fantasy series. 17 year old Ceres, a beautiful, poor girl in the Empire city of Delos, lives the harsh and unforgiving life of a commoner. By day she delivers her father's forged weapons to the palace training grounds, and by night she secretly trains with them, yearning to be a warrior in a land where girls are forbidden to fight. With her pending sale to slavehood, she is desperate. 18 year old Prince Thanos despises everything his royal family stands for. He abhors their harsh treatment of the masses, especially the brutal competition--The Killings--that lies at the heart of the city. He yearns to break free from the restraints of his upbringing, yet he, a fine warrior, sees no way out. When Ceres stuns the court with her hidden powers, she finds herself wrongfully imprisoned, doomed to an even worse life than she could imagine. Thanos, smitten, must choose if he will risk it all for her. Yet, thrust into a world of duplicity and deadly secrets, Ceres quickly learns there are those who rule, and those who are their pawns. And that sometimes, being chosen is the worst that can happen. SLAVE, WARRIOR, QUEEN tells an epic tale of tragic love, vengeance, betrayal, ambition, and destiny. Filled with unforgettable characters and heart-pounding action, it transports us into a world we will never forget, and makes us fall in love with fantasy all over again. Book #2 in OF CROWNS AND GLORY will be released soon!

In this first installment of the Renée Ballard series, #1 bestselling author Michael Connelly introduces a "complicated and driven" young detective fighting to prove herself on the LAPD's toughest beat (The New York Times). Renee Ballard works the midnight shift in Hollywood, beginning many investigations but finishing few, as each morning she turns everything over to the daytime units. It's a frustrating job for a once up-and-coming detective, but it's no accident. She's been given this beat as punishment after filing a sexual harassment complaint against a supervisor. But one night Ballard catches two assignments she doesn't want to part with. First, a prostitute is brutally beaten and left for dead in a parking lot. All signs point to a crime of premeditation, not passion, by someone with big evil on his mind. Then she sees a young waitress breathe her last after being caught up in a nightclub shooting. Though dubbed a peripheral victim, the waitress buys Ballard a way in, and this time she is determined not to give up at dawn. Against orders and her partner's wishes, she works both cases by day while maintaining her shift by night. As the investigations intertwine, Ballard is forced to face her own demons and confront a danger she could never have imagined. To find justice for these victims who can't speak for themselves, she must put not only her career but her life on the line. Propulsive as a jolt of adrenaline and featuring a bold and defiant new heroine, The Late Show is yet more proof that Michael Connelly is "a master of the genre" (Washington Post).

J. D. Robb's #1 New York Times bestselling In Death series explodes with intrigue, passion, and suspense in this novella about the darkest night of Lieutenant Eve Dallas's life--when a killer comes to call... Eve's name has made a Christmas list, but it's not for being naughty or nice. It's for putting a serial killer behind bars. Now the escaped madman has her in his sights. With her husband, Roarke, at her side, Eve must stop the man from exacting his bloody vengeance--or die trying... Midnight in Death previously appeared in Silent Night

An epic and transporting novel, the latest installment of the "heart-wrenching, uplifting, and utterly enthralling" (Lucy Foley, author of The Guest List) Seven Sisters series, unravelling between the dazzling streets of modern-day New York City and the breathtaking plains of 1940s colonial Kenya. Electra d'Aplise is a top model who seems to have it all: beauty, fame, and wealth. But beneath the glittery veneer, she's cracking under all the pressure. When her father dies, she turns to alcohol and drugs to ease the pain. As friends and colleagues fear for her health, Electra receives a shocking letter from a stranger who claims to be her grandmother. In 1939, New Yorker Cecily Huntley-Morgan arrives in Kenya's Lake Naivasha region for the exciting chance to stay with her godmother, the famous socialite Kiki Preston. But after a sheltered upbringing, she's astounded by the hedonistic antics of the other ex-pats in the infamous Happy Valley set. Cecily soon grows to love her stunning but complicated new home, and she even accepts a proposal of marriage from an enigmatic older cattle farmer. After a shocking discovery and with war looming, Cecily feels isolated and alone. Until she meets a young woman in the woods and makes her a promise that will change the course of her life forever. Featuring Lucinda Riley's "engaging and mesmerizing" (Library Journal, starred review) storytelling and filled with unforgettable and moving characters, The Sun Sister explores how love can cross seemingly impossible boundaries.

What Would You Do If a Secret Was Causing Your Family to Crumble? Is there a secret terrible enough that it should never be revealed, not even if it was tearing a family apart? For more than five decades Emma Bauer has kept one--carefully guarding it with all her strength, and for more than five decades that choice has haunted her life and also the lives of her daughters and granddaughter. Is it too late for wrongs to be righted? Does Emma even have the strength to let the healing power of truth work in her family? The story of four generations of women and the powerful effects that their choices have had on their lives is at the heart of Eve's Daughters, an epic novel from author Lynn Austin. Grand in scope but tender and personal at the same time, it will please you as a fan of contemporary or historical fiction. Exploring times from World War I to the 980s, Eve's Daughters is an insightful look at mothers, daughters, sisters, and families that allows you to see a little bit of yourself through the characters' triumphs, struggles, and hard-tested faith. Yearning for love, dignity, and freedom, the four generations of women must come to terms with the choices they have made. Healing comes when the past is forgiven but only when they embrace God's forgiveness can they shatter the cycle that has ruled their lives over the decades. Link to Readers' Discussion Questions

Tanya is no ordinary girl. She can see fairies. But not the fairies we imagine. Evil fairies who cast spells on her, rousing her from her sleep and propelling her out of bed. At wit's end with her daughter's inexplicable behavior, Tanya's mother sends her away to live with her grandmother at Elvesden Manor, a secluded countryside mansion on the outskirts of a peculiar Essex town. There is plenty to explore, as long as Tanya stays away from Hangman's Wood: a vast stretch of forest, full of catacombs and notorious for people losing their lives. Fifty years ago a girl vanished in the woods, a girl Tanya's grandmother will not speak of. As Tanya learns more about this girl, she finds herself dangerously close to vanishing into the fairy realm forever. Debut author Michelle Harrison weaves an intricate mystery into a beautiful and haunting fantasy that captures a rich world of fairy lore where only the color red can offer protection.
