Jane Austen: A Novel of Her Own

Searching for Jane Austen demolishes with wit and vivacity the often-held view of "Jane," a decorous maiden aunt writing her small drawing-room stories of teas and balls. Emily Auerbach presents a different Jane Austen—a brilliant writer who, despite the obstacles facing women of her time, worked seriously on improving her craft and became one of the world’s greatest novelists, a master of wit, irony, and character development. In this beautifully illustrated and lively work, Auerbach surveys two centuries of editing, censoring, and distorting Austen’s life and writings. Auerbach samples Austen’s flamboyant, risqué adolescent works featuring heroines who get drunk, lie, steal, raise armies, and throw rivals out of windows. She demonstrates that Austen constantly tested and improved her skills by setting herself a new challenge in each of her six novels. In addition, Auerbach considers Austen’s final irreverent writings, discusses her tragic death at the age of forty-one, and ferrets out ridiculous modern adaptations and illustrations, including ads, cartoons, book jackets, newspaper articles, plays, and films from our own time. An appendix reprints a ground-breaking article that introduced Mark Twain’s "Jane Austen," an unfinished and unforgettable essay in which Twain and Austen enter into mortal combat.

An appendix reprints a ground-breaking article that introduced Mark Twain’s "Jane Austen," an unfinished and unforgettable essay in which Twain and Austen enter into mortal combat.

Jane Austen's private language is rarely studied, yet her letters are a linguistic goldmine. This sociolinguistic study analyses the grammar, spelling, and vocabulary of Jane Austen's letters — many of which were addressed to her sister, Cassandra — providing readers with a deeper understanding of Austen as an author.

Thoroughly innovative and occasionally irreverent, this book will appeal in equal measure to book historians, Austen fans, and scholars of literary celebrity.

Which important Austen characters never speak? Is there any sex in Austen? What do the characters call one another, and why? What are the right and wrong ways to propose marriage? In What Matters in Jane Austen?, John Mullan shows that we can best appreciate Austen's brilliance by looking at the intriguing quirks and intricacies of her fiction. Asking and answering some very specific questions about what goes on in her novels, he reveals the inner workings of their greatness.? ?In twenty short chapters, each of which explores a question prompted by Austens novels, Mullan illuminates the themes that matter most in her beloved fiction. Readers will discover when Austen's characters had their meals and what shops they went to; how vicars got good livings; and how wealth was inherited. What Matters in Jane Austen? illuminates the rituals and conventions of her fictional world in order to reveal her technical virtuosity and daring as a novelist. It uses telling passages from Austen's letters and details from her own life to explain episodes in her novels: readers will find out, for example, what novels she read, how much money she had to live on, and what she saw at the theater.? ? Written with flair and based on a lifetime's study, What Matters in Jane Austen? will allow readers to appreciate Jane Austen's work in greater depth than ever before.

Discovering a letter written by Jane Austen inside of an old book, Samantha investigates the letter's suggestions about a possible undiscovered manuscript and searches the historical home of handsome Anthony Whitaker.

A Regency play based on the novel In Search of Jane Austen: An Investigation of a Life by Ken Methold. Both entertaining and informative, the play, an unusual mystery, is excellent for amateur dramatic groups and senior high school students.Intrigued by the conflicting stories about Jane Austen after her death, the Prince Regent's librarian asks Regency playwright and amateur detective Sarah Kedron to uncover the truth about Jane. Sarah interviews family members, publishers, friends, and anyone else who could throw some light on matter. As the mystery unravels, the audience gains insights into the character of a most unusual woman who persisted in writing the books she wanted to write in spite of family and financial difficulties.

Selected quotations from Jane Austen's works share her thoughts on such topics as men, women, money, marriage, and social life, accompanied by trivia about the writer and her times

Rachel M. Brownstein considers Jane Austen as heroine, moralist, satirist, romantic, woman, and author, along with the changing notions of these categories over time and texts. She finds echoes of many of Austen's insights and techniques in contemporary Jane-o-mania, a commercially driven, erotically charged popular vogue that aims to preserve and liberate, correct and collaborate with old Jane.

After Jane Austen's death at the tragically young age of forty-two, her brother Henry published a brief biography of her life which seemed to contradict the view of others who'd known her. Intrigued by the mystery of the conflicting stories, the Prince Regent's librarian asks Regency playwright and amateur detective Sarah Kedron to uncover the truth about Jane. Sarah takes up the challenge and interviews family members, publishers, friends, in fact, everyone who could throw some light on matter. This fascinating account of Jane's life is based on a wide reading of works on Jane's life and career as a Regency novelist. As the mystery unravels, the reader gains insights into the character of a most unusual woman who persisted in writing the books she wanted to write in spite of family and financial difficulties.
