Earn the grade you want in your course with the help of this invaluable tool. This Study Guide lists key learning objectives for each chapter, outlines key sections, provides self-test questions, and a set of problems similar to those in the book and those that may be used on tests, with fully worked-out solutions.

Continuing the four goals from the first edition, i.e. helping students to make good financial decisions, providing a solid text for the introductory MBA course, motivating students by demonstrating finance is relevant and interesting, and presenting the material clearly, this Tenth Edition promises to be the best yet. Written by a highly-acclaimed, best selling, author team, this text remains the only MBA-level text to present a balance of financial theory and applications.

Known for its real-world examples and effective problem sets, this undergraduate corporate finance course is now in its 9th edition and includes a student resource CD-ROM, with Excel tutorials and additional practice problems. The tenth edition features InfoTrac college edition access.

This is a book of hypothetical cases written to give students real examples of key finance concepts. Each case is 3-4 pages in length, and concludes with questions and problems that walk students through calculations and critical analysis of the case to help them make business decisions.

Combining depth of theory with practical applications, Madura's best-selling INTERNATIONAL FINANCIAL MANAGEMENT ABRIDGED, 12E builds on the fundamental principles of corporate finance to provide the timely information and contemporary insights needed to prosper in today's global business environment. With its signature reader-friendly style and clear explanations, the text introduces international finance with a focus on the important role of modern multinational corporations in global commerce. It discusses a wide range of managerial topics using a strong corporate perspective. Emphasizing the most recent financial changes and industry trends, the Twelfth Edition highlights financial reform and its impact on international finance today. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This easy-to-understand, user-friendly reference tool covers the three major decision-making areas in financial management: the investment, financing, and asset management decisions. It enables readers to understand the financial decision-making process, interpret the impact that financial decisions will have on value creation, and develop a strong understanding of how funds are raised and allocated by today's businesses. Financial exploration includes the basic time value of money concepts, working capital management, capital budgeting techniques, estimating cash flows, electronic commerce, outsourcing, limited liability companies, strategic alliances, and financial statement analysis. For participants in management development programs, candidates preparing for various professional exams, and practicing finance professionals—such as Financial and Loan Analysts; Financial, Cash, and Credit Managers; Controllers, Managerial Accountants; Lending Officers, and Treasurers.

Financial Markets and Institutions, 5e offers a unique analysis of the risks faced by investors and savers interacting through financial institutions and financial markets, as well as strategies that can be adopted for controlling and managing risks. Special emphasis is put on new areas of operations in financial markets and institutions such as asset securitization, off-balance-sheet activities, and globalization of financial services.

A supplementary text for a variety of Business courses, including Financial Statement Analysis, Investments, Personal Finance, and Financial Planning and Analysis. An Analytical Approach to Understanding and Interpreting Business Financial Statements. Understanding Financial Statements improves the student's ability to translate a financial statement into a meaningful map for business decisions. The material covered in each chapter helps students approach financial statements with enhanced confidence and understanding of a firm's historical, current, and prospective financial condition and performance. The Eleventh Edition includes new case studies based on existing companies and enhanced learning tools to help students quickly grasp and apply the materials. Fraser and Ormiston presents material in an engaging fashion that helps readers make sense of complex financial information, leading to intelligent (and profitable!) decision-making.
