When we look up the word civilization in the Websters online dictionary we get: "A society in an advanced state of development." When looking at the effects of Islam on the Arabs, anyone would recognize a huge transformation in the followers of the Prophet Muhammad (peace be upon him) from the very beginning and for centuries after that.

### Introduction to Islamic civilization (edition) | Open Library

Islam has been a conduit for Western civilization of cultural forms which might otherwise have died out. Pre-Islamic poetry and prose, which was transmitted orally, was recorded mostly during the Umayyad period (661-750 A.D.) when the Arab way of life began shifting from the simple nomadic life prevalent in the peninsula to an urban and sophisticated one.
