Tim O'Reilly: The Twitter
Book It Started With A Tweet

"It started with a tweet" is about Daisy starting a new life in Cumbria after her digital addiction led to a serious mistake on her job. The story was perfectly enjoyable with a surprisingly ungrumpy "rugged man-next-door", a great personal development and a really well done little comeback towards the end.

It all started with a single tweet. Fourteen years ago, on a somewhat cold evening, I stepped out of a party being hosted by Ruby Red Labs in an office it shared with Adaptive Path in San Francisco's SOMA district. I craved nicotine. Noah Glass, the forgotten co-founder of Twitter, told me about Twitter (or Twttr as it was called at the time.)
