Almost 30 years later, Congress enacted the President John F. Kennedy Assassination Records Collection Act of 1992. The Act mandated that all assassination-related material be housed in a single collection in the National Archives and Records Administration (NARA). The resulting Collection consists of more than 5 million pages of assassination-related records, photographs, motion pictures, sound recordings and artifacts (approximately 2,000 cubic feet of records).

Zip files (.zip) are useful when transmitting large amounts of data. Since more than one file can be contained in a .zip file, the .zip file can be downloaded then unzipped to open many files at once. The .zip file format allows data to be compressed. Compression reduces the volume of data in a file to make it easier and faster to transmit.

National Archives to Keep JFK Secrets until 2017. The National Archives (NARA) today turned down the request of a Washington non-profit public interest group to declassify secret records related to the assassination of President John F. Kennedy in time for the 50th anniversary of that tragic event in 2013. The request for release of the secret documents was made by the Assassination Archives and Research Center (AARC), a Washington, D.C. non-profit public interest group in a letter signed by ...
