A process that today reaches its extreme expression in modern, industrial, capitalist, technocratic and patriarchal civilization, for which spirit and nature are a hindrance. The first assault was the conversion of spirituality into religiosity, into institutions of power that used the spirit as a pretext.

Clifton ' s spirit writing, while ostensibly fitting into a race- and gender-blind New Age tradition, should be read as an important contribution to Black feminist theories of embodiment. Clifton ' s spirit communications foreshadow contemporary global issues like climate change and the rise of the far right, and they position Black women at the vanguard of addressing these issues.
