The New York Times bestseller from the author of Chasing the Scream, offering a radical new way of thinking about depression and anxiety. What really causes depression and anxiety--and how can we really solve them? Award-winning journalist Johann Hari suffered from depression since he was a child and started taking antidepressants when he was a teenager. He was told that his problems were caused by a chemical

imbalance in his brain. As an adult, trained in the social sciences, he began to investigate whether this was true--and he learned that almost everything we have been told about depression and anxiety is wrong. Across the world, Hari found social scientists who were uncovering evidence that depression and anxiety are not caused by a chemical imbalance in our brains. In fact, they are largely caused by key problems with the way we live today. Hari's journey took him from a mind-blowing series of experiments in Baltimore, to an Amish community in Indiana, to an uprising in Berlin. Once he had uncovered nine real causes of depression and anxiety, they led him to scientists who are discovering seven very different solutions--ones that work. It is an epic journey that will change how we think about one of the biggest crises in our culture today. His TED talk, "Everything You Think You Know About Addiction Is Wrong," has been viewed more than eight million times and revolutionized the global debate. This book will do the same.

The New York Times Bestseller What if everything you think you know about addiction is wrong? Johann Hari's journey into the heart of the war on drugs led him to ask this question--and to write the book that gave rise to his viral TED talk, viewed more than 62 million times, and inspired the feature film *The United States vs. Billie Holiday* and the documentary series *The Fix*. One of Johann Hari's earliest memories is of trying to wake up one of his relatives and not being able to. As he grew older, he realized he had addiction in his family. Confused, not knowing what to do, he set out and traveled over 30,000 miles over

three years to discover what really causes addiction--and what really solves it. He uncovered a range of remarkable human stories--of how the war on drugs began with Billie Holiday, the great jazz singer, being stalked and killed by a racist policeman; of the scientist who discovered the surprising key to addiction; and of the countries that ended their own war on drugs--with extraordinary results. Chasing the Scream is the story of a life-changing journey that transformed the addiction debate internationally--and showed the world that the opposite of addiction is connection.
