Rebecca Reisert's mesmerizing first novel re-imagines Macbeth, Shakespeare's classic tragedy of power and madness, through the eyes of a mysterious young woman on a dangerous quest for vengeance. For the girl called Gilly, life in the wilds of Birnam Wood is little more than a desperate struggle for survival. Seven long years have passed since she was first taken in and sheltered by Nettle and Mad Helga, the hut-dwelling wise-women whose inscrutable powers of alchemy and prophecy are feared and reviled throughout good King Duncan's kingdom. Living under the threat of deadly persecution by witch-hunting villagers, the threesome ekes out a life by peddling potions and elixirs, scavenging for food, and robbing the bloodied corpses of Scotland's battle-scarred hills for precious metals and weapons. But Gilly is haunted by recollections of a much brighter life. She clings to fading memories of a time when she was contented and adored -- until tragedy swept all that happiness away and young Gilly's life was changed forever. I have made my life an arrow, and His heart is my home. I have made my heart a blade, and His heart is my sheath...Obsessed with avenging her loss and putting out the fire that still rages in her heart, Gilly has dedicated herself to destroying Macbeth, the boundlessly ambitious man who took away her childhood, and his goading wife. Disguising herself as a poor servant boy, she insinuates herself into their lives and, as she bears horrified witness to Macbeth's violent path to power, Gilly subtly begins to take a hand in the forces governing his fate. But as the culmination of her revenge draws near, Gilly finds her own life at risk when she confronts the troubling legacy of a long-concealed heritage. The Third Witch is brilliantly imagined, wonderfully satisfying novel. In a riveting story of ruthlessness and revenge, debut author Rebecca Reisert demonstrates a profound understanding of the Bard's timeless drama -- and of the real-life Macbeth upon whom Shakespeare's incarnation is modeled.

'And when I shall die, Take him and cut him out in little stars.' This collection of Shakespeare's soliloquies, including both old favourites and lesser-known pieces, shows him at his dazzling best. One of 46 new books in the bestselling Little Black Classics series, to celebrate the first ever Penguin Classic in 1946. Each book gives readers a taste of the Classics' huge range and diversity, with works from around the world and across the centuries - including fables, decadence, heartbreak, tall tales, satire, ghosts, battles and elephants.

Macbeth is among the best-known of William Shakespeare's plays, and is his shortest tragedy, believed to have been written between 1603 and 1606. It is frequently performed at both amateur and professional levels, and has been adapted for opera, film, books, stage and screen. Often regarded as archetypal, the play tells of the dangers of the lust for power and the betrayal of friends. For the plot Shakespeare drew loosely on the historical account of King Macbeth of Scotland by Raphael Holinshed and that by the Scottish philosopher Hector Boece. There are many superstitions centred on the belief the play is somehow "cursed", and many actors will not mention the name of the play aloud, referring to it instead as "The Scottish play".

It's a comedy! It's a tragedy! It's...confusing! Shakespeare doesn't have to be confusing and hard to read. Let BookCaps help with this modern retelling. If you have struggled in the past reading Shakespeare, then BookCaps can help you out. This book is a modern translation of All's Well That Ends Well. The original text is also presented in the book, along with a comparable version of both text. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.

"This full colour graphic novel presents "The Scottish Play" just as Shakespeare intended: in its original and unabridged format. Ideal for purists, students and readers who will appreciate the unaltered text." "Macbeth is probably the most dramatic of Shakespeare's tragedies and this version will give you a brand new and totally fulfilling view of the sheer genius of Shakespeare's story telling. Featuring stunning artwork, and full of action, atmosphere and intrigue from start to finish, this new treatment of The Bard's tragedy will have you on the edge of your seat."--BOOK JACKET.

A new series of bespoke, full-coverage resources developed for the 2015 GCSE English qualifications. Endorsed for the AQA GCSE English Literature specification for first teaching from 2015, this print Student Book provides specific set text coverage for the Shakespeare aspect of the specification. With progress at its heart and designed for classroom and independent use, students will build their skills through a range of active learning approaches, including class, group and individual activities. Incorporating differentiated support, activities will also help students develop whole-text knowledge. An enhanced digital version and free Teacher's Resource are also available.

One of Shaw's most popular comedies, deflating romantic misconceptions of love and warfare. Reprinted from an authoritative early edition, complete with Shaw's preface to Volume II of Plays: Pleasant and Unpleasant.
