These are the questions raised in the topic of induction and miracles. The final two topics concern minded beings. The question of personal identity asks what we are, metaphysically speaking, and what it takes for us to persist through time?

~~Syllabus --- University of Cambridge~~

A very well written introduction to metaphysics in general. Van Inwagen is an excellent writer and was methodical about his explorations of the big metaphysical questions until he got to the subject of dualism to which he gives rather short-shrift and fails to consider many implications of some kinds of dualism.
