Push Back Against Abuse of Admission Criteria. By Steven J Meyerson. Posted on 4/24/2018 7:06 AM. One of the many complaints physician advisors have about managed care organizations (MCOs) is payment denials based on inappropriate use of admission screening criteria. The two predominant sets of criteria, MCG and InterQual, differ in many ways but they have one thing in common: They are both clinical screening criteria that are used to recommend the medical necessity and proper setting for ...
