Inspiring confidence: 5 ways to help students succeed

Motivating kids to learn for learning's sake isn't easy, which is why teachers often rely on external motivators. These can take many forms, like contests, prizes, or parties. Even grades are a form of external motivation; a student who has earned an A on an assignment is typically more thrilled by the grade itself than the successful learning it represents.

How to Encourage Intrinsic Motivation in Students

Motivating students is one of the major challenges teachers face on a daily basis. Conceptualized as students ' energy and drive to engage, learn, work effectively, and achieve their potential at school, motivation and engagement play a large role in students ' interest and enjoyment of school (Martin, 2006). Understandably, both also play huge roles in academic achievement (Martin, 2001; Martin & Marsh, 2003).

Encouraging Positive Student Engagement and Motivation ...

Assigning students classroom jobs is a great way to build a community and to give students a sense of motivation. Most students will see classroom jobs as a privilege rather than a burden and will work hard to ensure that they, and other students, are meeting expectations.

12 Ways to Motivate your Students - Teacher ' s Corner

Effectively motivating your students cannot erase every problem, but it can be a solution or preventative to many problems that students and teachers experience in the classroom. Of course, what motivates one student might not motivate another.
