Something about the lyrics of many of the hit contemporary Christian worship songs is at best problematic for many clergy persons in mainline denominations. Sometimes the songs are downright offensive theologically to the pastor. Often the problem is rooted in a theological nuance or doctrine that the pastor does not embrace. Sometimes these contemporary worship songs use too many Christian buzz words or clichés—words or phrases that the pastor deliberately avoids in every other aspect of the liturgy. Often the problem is that the new songs show no sensitivity at all to things like “inclusive language” or the theological challenges of doctrines like “penal substitutionary atonement.” Sometimes the pastors feel that most of these new songs lack substance, that they’re too sugary, too individualistic, and too other-worldly. Sometimes there’s an emotional tone to this contemporary worship music that might work well in another kind of church but which just doesn’t feel authentic in a traditional or mainline congregation. Now I would imagine that at least some of you began to glaze over a bit as you attempted to read those last few paragraphs. Or maybe you didn’t fully understand some of the terms I just used. If so, don’t worry—that’s why I wrote this book! If you have no idea what things like “penal substitutionary atonement” or “inclusive language” are about, this book will help you understand what these terms mean and why it’s important to your pastors for you to know your way around these issues and concepts a bit as you seek new songs to bring into the worship life of your congregation. And I promise—I’ll do my best to use down-to-earth language that you’ll be able to easily understand without a seminary education!

Contemporary worship continues to gain strength as the form of worship of choice for many churches across the country. The Art of Worship is a complete resource to which a musician or pastor can turn when asked to lead contemporary music. It provides in-depth instruction to every aspect of contemporary worship leadership—from assembling the team to choosing the music to conducting rehearsals. Author Greg Scheer takes a balanced, holistic approach, embracing the contemporary style without denying older traditions and encouraging excellence without ignoring the realities of the local church context. Worship team leaders, musicians, and pastors looking for a quality, comprehensive resource need look no further.

In this book, the popular Christian artists of FFH share experiences from their lives on the road as well as devotional thoughts learned from those experiences. You know what it's like to be far from home, craving the warmth of those you love. You experience feelings and emotions that you don't normally feel when at home, surrounded by those who care. In this book, the popular Christian artists of FFH share experiences from their lives on the road as well as devotional thoughts learned from those experiences. Also included are "letters from the road"—prayers to our Heavenly Father, expressing struggles, hopes, longings, and challenges just like the ones you feel—and room for you to write your own "letters from the road" to God who eagerly anticipates your homecoming. Though the world we live in can feel strange, even hopeless at times, your loving Father offers acceptance, love, forgiveness, and understanding. So join FFH in this inspirational book that will help you feel closer to the Father who loves you unconditionally. You will never be the same. And although you may be far from home, you will feel closer than you ever dreamed you could.

Anointed Music and Worship is a manual to develop a flow of worship in your life and ministry according to the pattern given to us by Scripture. Rev. Holmes shows the important ingredients, such as purity, liberty, joy and peace that are needed in our spiritual worship. Readers will discover how God is seeking those who will worship Him in spirit and in truth, and that we can become a people that delight the heart of God by becoming true worshippers who enter into the greater experiences of His glorious presence.

This volume sensibly examines whether an inconsistency exists between a Canadian Pentecostal denomination’s trinitarian statement of faith and the songs they most commonly sing. Colin Gunton’s trinitarian theology is utilized as a framework for this landmark analysis.

In Deeper Praise, Dr. Cheryl Wilson-Bridges outlines a theology of worship, using principles drawn directly from the Bible. Deeper Praise offers practical, purposeful, and Scripture-based methods for identifying timeless foundational truths that can be applied to any style of church worship. These principles will transform your worship experience and deepen your understanding of how to truly please God with your praise. As a worshiper, music lover, and an esteemed worship educator, Dr. Bridges has the training, knowledge, experience, and insight to assess what is sometimes missing in the music of the church. Deeper Praise lays out a plan for renewal of those vital elements of Biblical worship. Christians who desire to know God, want to offer Him pure praise, and worship Him as He has instructed in His Word. This book will prompt believers to examine their worship in the light of Biblical truth, by the power of the Holy Spirit. Combining story-telling, personal experiences, extensive research, and Biblical truth, the teachings Dr. Bridges has assembled here are Christ-centered, and can be easily applied. Readers of Deeper Praise will find hope and strength for the journey. They will be encouraged to make authentic, scriptural praise and worship their aim.
