Slavery was established throughout European colonization in the Americas.

Slavery in the United States - Wikipedia

Slaves were of varying importance in Mesoamerica and on the South American continent. Initially slaves were imported because of a labour shortage, aggravated by the high death rate of the indigenous population after the introduction of European diseases in the early 16th century. They were brought in at first to mine gold, and they were shifted to silver mining or simply let go when gold was exhausted in the mid-16th century.

Slavery - Slavery in the Americas | Britannica

Slavery In America summary: Slavery in America began in the early 17th Century and continued to be practiced for the next 250 years by the colonies and states. Slaves, mostly from Africa, worked in the production of tobacco crops and later, cotton. With the invention of the cotton gin in 1793 along with the growing demand for the product in Europe, the use of slaves in the South became a foundation of their economy.

Slavery In America - HistoryNet

Many people may incorrectly believe that the enslavement of Africans was America ' s only abuse of slavery, but the first use of slavery in the Americas came with the Spanish conquerors when they settled in Mexico, California, and what is today known as the American Southwest, and was also used frequently throughout the American Southeast as well.
