This article explores the concept of the "active reader," which is getting more and more attention nowadays. Its main aim is to present a typology of what this active readership means, in the phases before actual reading, in the reading phase, and in the after-reading phase. The elements of this typology are subsequently explicated.

Active reading involves deeper engagement with the text before, during, and after reading. The Reading Lab promotes active reading by modeling strategies and techniques to support it. A good way to understand active reading is by comparing it to what it is not, what 's sometimes called passive reading.

Acclaimed for his writing on Malcolm X, Martin Luther King, Jr., Tupac Shakur, and many more, Michael Eric Dyson has emerged as the leading African-American intellectual of his generation. This collection gathers the best of Dyson's vast and growing body of work from the last several years: his most incisive commentary, the most stirring passages, and the sharpest, most probing and broadminded critical analyses. From Michael Jordan to the role of religion in public life, from Toni Morrison to patriotism in the

Roy Clawson awakens from a nightmare...or was it more than a dream? After his terror subsides, he reexamines his life in the small town of Fairview. Why doesn't he fit in? Why is he never invited to the strange meetings at the high school? Why does a bright light periodically appear from the direction of the high school? Who is Murdoch? What are his parents hiding from him? Can his girlfriend be trusted? Will he discover the truth...or does he even want to know the truth?

A novel from one of the country ' s most prolific and popular YA authors, this book, set in New York City on September 11th, shows us how the experiences of that day profoundly changed one teen ' s life and relationships. Today is September 10, 2001, and Will, a grade nine student, is spending the day at his father ' s workplace tomorrow. As part of a school assignment, all the students in his class will be going to their parents tomorrow, but Will isn ' t excited about it – he ' d rather sleep in and do nothing with his friends. His father doesn ' t even have an exciting job like his best friend James ' s father who is a fireman. Will ' s dad works for an international trading company and has to

wake up early every morning to commute to his office on the eighty-fifth floor in the south building of the World Trade Center in Manhattan. Will doesn't see his father very often because of the hours he puts in at the office. He doubts that his dad will bother making time for him tomorrow even when they are supposed to be spending the day together. In this fast-paced and dramatic new novel by bestselling author Eric Walters, Will discovers a new side of his father during an event that continues to affect the world. As Will's new teacher says, tomorrow "might be an experience that changes your entire life."

This is a story of an artist who, from his earliest years, draws. The artist draws a star! Then, the tree, house, flowers, clouds, rainbow, and night. In drawing, he discovers not only his art, but his life. Holding on to his star, he creates a world of light and possibility. With his brilliant collage, poignant and powerful in its simplicity, Eric Carle creates an unforgettable story that celebrates imagination and the artist in us all.
