Via crucis definition is - Way of the Cross : path of suffering.

Via Crucis | Definition of Via Crucis by Merriam-Webster  
The Stations of the Cross or the Way of the Cross, also known as the Way of Sorrows or the Via Crucis, refers to a series of images depicting Jesus Christ on the day of his crucifixion and accompanying prayers. The stations grew out of imitations of Via Dolorosa in Jerusalem which is believed to be the actual path Jesus walked to Mount Calvary.

Stations of the Cross - Wikipedia  
The tradition of the Via Crucis in Spain began with the Dominican Friar Álvaro de Córdoba in 1421, but was popularized mainly by Franciscans. It is a local recreation of what is now called the Via Dolorosa in Jerusalem, by then an established feature of a pilgrimage there, though various routes have been used.

"Besides being a meditation on the Way of the Cross, this book reminds the reader through reflections from Scripture and Pope Francis that, in Jesus, our God has revealed his complete, personal, and total love for each person that he has created"--

A Roman Soldier. An Anguished Mother. A Death Row Prisoner. An Unsuspecting Pilgrim. A Treacherous Friend. Jesus Touches Each of These And Many Others—Seen And Unseen—On His Agony-Filled Way To The Cross.Combining Sacred Scripture, Storytelling, And Personal Reflection, The Via Crucis Draws Readers Into A Heartfelt And Inspiring Contemplation of Jesus' Sacrifice And His Triumphant Victory Over Death. Evocative Charcoal Illustrations And Raw, Vivid Stories Voiced By Those Present At Christ's Trials And Crucifixion Capture The Pain, Power, And Passion Of The Savior's Suffering On Humanity's Behalf.

Walking the Stations of the Cross, the Christian faithful re-create the Passion, following the sorrowful path of Jesus Christ from condemnation to crucifixion. While this devotion, now so popular in the Catholic Church and many Protestant denominations, first emerged in Jerusalem and began spreading through Western Europe in the fourteenth century, it did not assume its current form, and earn the Church's formal recognition, until almost three centuries later. It was at this time, in the last decades of the seventeenth century, that a Franciscan friar in colonial Mexico translated a devotional guide to the Stations of the Cross into the native Nahuatl. This little handbook, Fray Agustín de Vetancurt's *Vía crucis en mexicano*, proved immensely popular, going through two editions, but survives today only in a copy made by a native scribe from Central Mexico. Reproduced here in Nahuatl and English, Vetancurt's handbook offers unique insight into the history, the practice, and the meaning of the Stations of the Cross in the New World and the Old. With the *Vía crucis en mexicano* as a starting point, John F. Schwallier explores the history of the development and spread of the Stations of the Cross, placing the devotion in the context of the Catholic Reformation and the Baroque, the two trends that exalted this type of religious expression. He describes how the devotion, exported to New Spain in the sixteenth century, was embraced by Spanish and natives alike. For the native Americans, Schwallier suggests, the *Vía crucis* resonated because of its performative aspects, reminiscent of rituals and observances from before the arrival of the Spanish. And for missionaries, the devotion offered a means of deepening the faith of the newly converted. In Schwallier's deft analysis—which extends from the origins of the devotion, to the processions and public rituals of the Mexica (Aztecs), to the text and illustrations of the Vetancurt manuscript—the *Vía crucis en mexicano* opens a window on the practice and significance of the Stations of the Cross—and of private devotions generally—in Mexico, Hispanic America, and around the world.

"Via Crucis" by F. Marion Crawford. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten - or yet undiscovered gems - of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.
