Theory Of Child

A pioneering  
psychologist with  
diverse interests,  
Lev Vygotsky  
(1896-1934) was  
interested in how  
cultural elements  
which a particular

# Where To Download

society deems important – for example, customs, beliefs, skills and values – are passed on to new generations. His sociocultural theory declares that social interaction within the family and with knowledgeable members of the

# Where To Download

community is the primary means by which children acquire behaviours and cognitive processes relevant to their own society.
